

Wiki Workshop

16th April 2016

Europeana Art History Challenge

What is Europeana?

- Europeana is a pan-European online portal for different forms of digitised cultural heritage and artworks
- Music, literature, visual arts, archival material, photography etc.
- www.europeana.eu

Europeana 280

- Pan-European campaign to celebrate shared cultural heritage
- 28 EU member states each submit 10 works of art
- 280 works of art forming an online collection – Europeana Art History Collection

Europeana Art History Challenge

- Improving the quality of all the artwork submitted through Europeana 280
- 30 participating countries (28 EU member states + Norway + Wales), representing 38 different languages
- 6 weeks (15th April – 31st May)

Europeana Art History Challenge

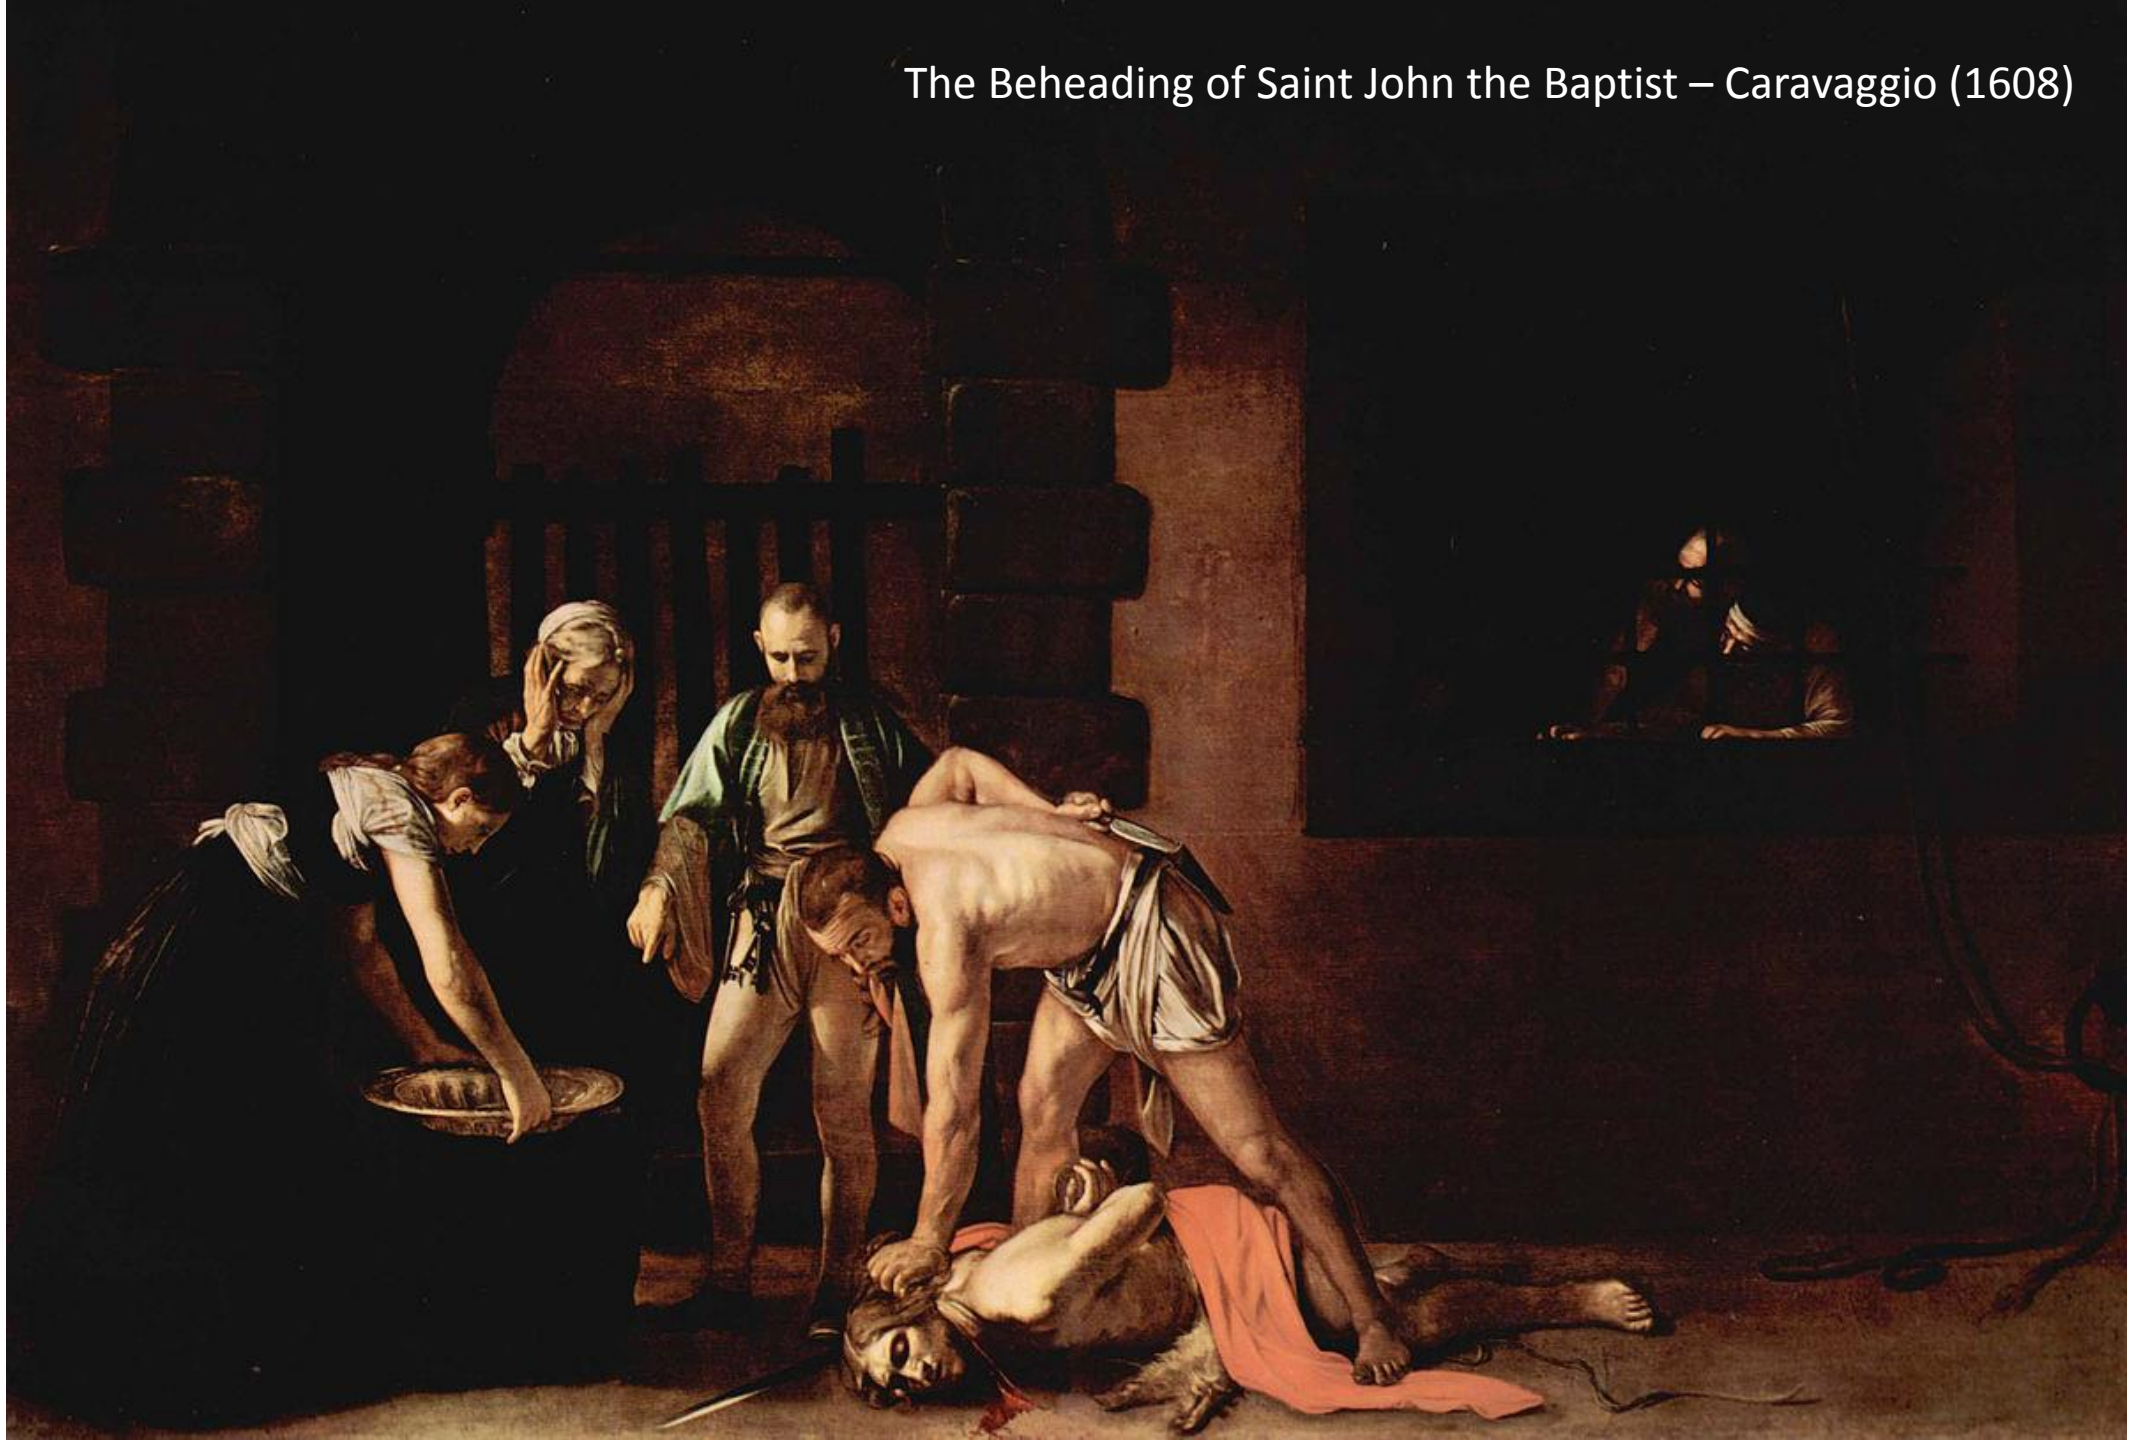

1. Create/improve content on Maltese Wikipedia (Wikipedija)
 - Research on each of the artworks
 - Contact with relevant organisations/stakeholders (Heritage Malta, MUŻA etc.)
 - Writing/editing content

2. Translate content from other countries (and vice-versa)
 - Translate articles from each of the other 29 countries into Maltese
 - Maltese articles on Malta's artworks translated into 38 other language-Wikipedias in the project

Malta's 10 submissions

The Beheading of Saint John the Baptist – Caravaggio (1608)

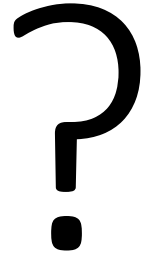

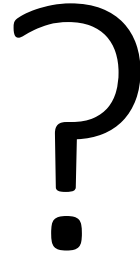

Risen Christ – Guido Reni (1627)

Judith and Holofernes – Valentin de Boulogne (1626)
